## **BAPTIST ON MISSION**

**[www.baptistsonmission.org](http://www.baptistsonmission.org)**

**Baptists on Mission volunteers serve in 19 ministries  
that include the following:**

**STATE/NATIONAL/INTERNATIONAL MISSION PROJECTS** God is changing lives through mission trips sponsored by Baptists on Mission in North Carolina (mission camps, Impact NC, Disaster Rebuilds, etc.) and to places such as Pennsylvania, Hawaii, New England, Rocky Mountain Region, Appalachian Coalfields, Alaska, Guatemala, Honduras, Kenya, Armenia, Romania, Hungary, Cuba, South Africa and other places.

Lives are being changed... It was the British missionary William Carey who said, "Expect great things from God; attempt great things for God". I have thought about that quote a lot during the past few months of Covid-19 response. Here are some of the things that Baptists on Mission has been doing to minister to people affected by Covid-19 in our own state:

**Grants-** We were blessed to be able to provide churches with more than \$130,000 for Covid-19 grants. We also were able to provide \$150,000 worth of bulk food for churches who are cooking for people in need in their communities.

**Food Boxes-** We are so thankful to have received a USDA grant to provide food boxes to families across our state. Through this grant we were able to provide 8,000 Farm to Family Produce boxes each week to families affected by Covid-19. What an opportunity to help hurting people! That's approximately 150,000 pounds of fresh produce and fruit that was distributed each week. In addition to the produce, we distributed 2,000 gallons of milk, 2,000 pounds of cheese and 9,600 pounds of meat each week. More than 200 churches and community centers signed up to help distribute this food. These churches and community centers are worked with people affected by Covid-19 and they stretch all across our state from Cherokee County in the West to Atlantic in the East! We set up 25 different distribution sites for the Produce boxes and meat, milk and cheese boxes. Our Disaster Relief volunteers, our disaster relief leaders, drivers and our staff are worked so hard to make this possible! What an opportunity, what a responsibility!

**DISASTER RELIEF** God has blessed us with excellent disaster relief equipment and volunteers. North Carolina Baptists have five large disaster feeding units. The two largest units are capable of preparing and serving 30,000+ meals per day. We now have more than 250 disaster recovery trailers (owned by local churches and associations) that are used to do clean up and repair work after a disaster. We also have six large shower units, three laundry units, a childcare unit, several large recovery units, large generator units and lots of other disaster relief equipment that the Lord has provided.

Lives are being changed... The rebuilding from Hurricane Florence will last another 2 years. Our goal is to help 2,000 families get back in their homes and to do this in Jesus' name. God blessed us with 3 rebuild center where we can house, feed and coordinate the work of thousands of rebuild volunteers. So far, we have helped 1,000 families get back in their homes.

**MEDICAL/DENTAL MISSIONS** Baptists on Mission offer the use of the mobile medical/dental units to Baptist and non-Baptist churches and service organizations within North Carolina who wish to reach out to people in need. Approximately 4,000 people are seen on the two mobile units every year. Patients targeted through this ministry may include the impoverished, Hispanic and other ethnic groups, migrant workers, fair workers, the homeless, the elderly and more.

**HEALTH SCREENING MINISTRY** A new Health Screening Ministry mobile unit arrived at the Cary office in February 2020. The new unit offers more space for individual cubicles, thus ensuring better patient privacy and a more reliable resource for the screening clinics. Our focus is on under-served, uninsured, migrant, homeless, and refugee populations throughout North Carolina. We are able to bring free health screenings directly to the

most vulnerable patient populations, and link them to follow-up resources in their own communities. Health disparities are prevalent in poorer neighborhoods, and it is our goal to take healthcare to the most disadvantaged populations, thus improving community health navigation as we align local community health centers with patients seen at the mobile clinics. This ministry provides not only basic health screening clinics, but spiritual assessments and counseling as well. Our hope is that by meeting a physical need, a spiritual door will be opened and the love of Jesus can be shared.

**STUDENT MISSIONS** Deep Impact helps North Carolina Baptist churches develop a comprehensive coed youth missions strategy to produce committed followers of Christ. This strategy includes pre-packaged mission weeks, free online mission studies, weekend mission retreats, hands-on mission training and much more.

**DI KIDS** One of our newest efforts is DI Kids (Deep Impact Kids), a missions weekend/week for children and their leaders. DI Kids Missions Weeks, Mini-weeks, and Weekends are pre-packaged mission experiences sponsored by Baptists on Mission that provides elementary age students and their leaders/parents with the opportunity to share the love of God with people in NC

**OTHER MINISTRIES** In addition to the ministries described above, other ministries of Baptists on Mission designed to equip, motivate and mobilize volunteers to be involved in missions are: Agriculture Missions, Aviation Ministry, Baptist Builders, Baptist Educators, Family Foundations, College Missions, Compassion Ministry, Church Renewal, Prayer Support, Sports and Recreation, Men's Ministry, Student Missions and Children's Missions.

**MISSIONS CONFERENCE** The annual missions conference, sponsored by Baptists on Mission, include music, testimonies, speakers, breakout sessions, mission fair exhibits, volunteer suppers and much more. The desired end result is for participants to be spiritually renewed and inspired to become involved in missions locally and around the world.

**REGIONAL MISSIONS RALLIES** Each spring and fall, Baptists on Mission/NCBM sponsors regional rallies in all 10 regions of our state. These meetings are designed to challenge North Carolina Baptists across the state to greater missions involvement and to promote the September North Carolina Missions Offering. The rallies are open for all men, women and youth interested in missions.

**BAPTISTS ON MISSION MAGAZINE** This publication is mailed twice each year to all church missions leadership on each level, mission volunteers, all NCBM ministry groups, youth directors, ministers of education and pastors.

**MISSION CAMPS** Every year an average of 5,000 volunteers respond to needs through the Mission Camps in both Red Springs and Shelby. These Mission Camps are a great way to get your church involved in life-changing mission projects at a very affordable price.

**Baptist Retirement Homes  
2020 Annual Report  
to North Carolina Baptist  
Associations and Churches**

Some of our heroes at WNCBH in Asheville

**Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness”**

**Isaiah 41:10 King James Version (KJV)**

Baptist Retirement Homes has experienced many blessings in the midst of leadership changes and the Covid-19 Pandemic. With the prayers and faithful support of individuals and churches across North Carolina, God has provided for the needs required to care for Older Adults that He has placed in our care.

Our Homes thrived under the leadership of Bill Stillerman for 34 years. Mr. Stillerman announced his retirement in August 2019 and stepped down as President December 31. The dedication to Older Adult care could never be questioned in the life of Bill Stillerman. His concern for those who could not afford quality care drove him to cross the state countless times to seek the financial support for the Baptist Retirement Homes Foundation. We are grateful for the leadership and dedication of Mr. Stillerman.

Our Homes welcomed Reed VanderSlik as President and CEO in August of 2019. Reed and his wife Mary relocated to North Carolina from Michigan after a successful 15 year executive leadership career in Older Adult Care. A letter from Reed is included in this report.

The BRH leadership and staff have worked diligently to protect the residents and employees from the Covid-19 virus. We are grateful that our residents have been Covid Free and pray that this will continue. Our dedicated staff has done an amazing job in very challenging times.

Thanks be to God for His watch care over us!

### **A Word from the President**

"There's no place like home!" It may be a cliché to quote Dorothy's renowned line from the 1939 cinematic sensation, *The Wizard of Oz*, but it by no means diminishes the truth of Dorothy's sentiment. Children throughout our state long for that feeling of "home" and sense of "place." Too many have been physically or emotionally displaced and neglected by their families. They are desperate to know what it is like to be loved, valued and to belong. Our calling — our "place" — as Baptist Children's Homes (BCH) staff members and you, as our prayer warriors and gracious supporters, is to provide them with these missing pieces. We have the power to give them a home and connect them with a loving family. Whether it's through our compassionate cottage homes or in the arms of a BCH foster family, you are giving children a caring family and sharing with them the love of Jesus Christ, the One who goes to prepare an eternal place for them. Thank you for giving children a home.

— Michael C. Blackwell, BCH President/CEO

### **Celebrating 135 Years of Ministry**

The Baptist Orphanage was born at a time of adversity. It was founded in the small community of Thomasville on November 11, 1885 and rose from a dream to establish an orphanage — a safe haven for hurting and displaced children — that North Carolina Baptists could call their own. Known today as the Baptist Children's Homes of North Carolina (BCH), our heart beats with the hope of Jesus. It's a rhythm of hope that extends to children, families, special needs adults as well as aging adults. For each person's distinct need, there is a unique BCH ministry ready to help throughout locations in 24 North Carolina communities as well as our orphanage in Guatemala.

In 2019, North Carolina Baptists impacted 107,000 through the support of BCH's Annual Offering and Cooperative Program funding. With the needs of children and families greater than ever, there continues to be significant opportunities for kingdom building. The number of children and families who come to BCH unchurched and unreached for Christ is 70%. Through the help of North Carolina Baptists, the Gospel is shared with those we serve often for the first time. In the past five years, there have been 703 decisions to accept Christ as Savior.

We celebrate a legacy of ministry that was founded on faith...built on love. You are invited to step into time by watching BCH's historic three-minute video as we celebrate our partnership with North Carolina Baptists that has led to 135 years of ministry and countless lives forever changed. Watch the short documentary, narrated by BCH president/CEO Michael C. Blackwell at [www.bchnc.org/bch\\_strong](http://www.bchnc.org/bch_strong)

### **Family Foster Care Ministry Continues to Grow**

Thanks to the dedicated support of North Carolina Baptists and donors, Baptist Children's Homes' (BCH) Family Foster Care ministry is growing. In 2018 alone, 16,796 North Carolina boys and girls had to be removed from their families by statewide Departments of Social Services. Parents are being crippled by addiction including the opioid crisis that is gripping both North Carolina and the nation. Family Foster Care is a natural complement to BCH's cottage homes, which are located across the state, and positions BCH to best meet the tremendous needs of children in North Carolina. Having both ministries allows a child to be placed in the option that will best serve his or her needs.

## **Baptist State Convention of North Carolina For period July 1, 2019 to June 30, 2020**

The Baptist State Convention of North Carolina (BSCNC) exists to help local churches fulfill their divinely appointed mission from God. The convention staff, under the leadership of Executive Director-Treasurer Milton A. Hollifield Jr., is committed to helping Baptist churches and associations maximize their ministry outreach for the purpose of building God's kingdom through a strategy of "impacting lostness through disciple-making."

**ADULT EVANGELISM AND DISCIPLESHIP** Adult Evangelism and Discipleship, also known as DiscipleNC, seeks to help every believer enjoy Jesus and lead others into fellowship with Him. From June 2019 to March 2020, there were 880 people who attended 23 Gospel Conversation Trainings, with 410 churches represented. We were forced to postpone trainings when COVID-19 impacted the state in March 2020. We then began to explore virtual options to continue trainings. Through Zoom videoconferencing and then calling those already trained to multiply, we continue to offer trainings.

**ASSOCIATIONAL PARTNERSHIPS** Associational Mission Strategists (AMS) across North Carolina play a crucial role in the life of our churches and are a vital, significant and strategic force in the effort to help plant new churches and assist in the revitalization and replanting of existing congregations. Associational Partnerships (AP) offers opportunities, training and resources to help associational mission strategists and associational teams enter and engage their field with a fresh, intentional, deliberate and evangelistic approach to disciple-making. Our goal is to work closely with our associations to encourage, resource and produce healthy churches and stronger associations as we seek to become the strongest force in the history of this convention for reaching people with the gospel.

**CHILDHOOD EVANGELISM AND DISCIPLESHIP** Childhood Ministry seeks to equip churches for excellence in ministry and for helping families embrace their God-given role as disciple-makers at home with children from birth through fifth grade. This ministry also includes Church Weekday Education, Bible Drill and Vacation Bible School. Safety and security trainings were offered in multiple locations throughout this past year to raise awareness and assist churches in providing safe and secure environments.

**CHURCH HEALTH AND.** In November 2019, the Baptist State Convention of North Carolina announced an organizational shift in the Evangelism and Discipleship Group. The former Church Strengthening Team has transitioned to become the Church Health and Revitalization Team. This change followed discussions about the need for the convention to assist churches in the area of church health and revitalization. Executive Director-Treasurer Milton Hollifield said when taken together, the percentage of churches in North Carolina that are either plateaued, declining or dying is approximately 86%.

**CHURCH PLANTING** The Church Planting Team, also known as Church Planting NC (CPNC), exists to catalyze a reproducing church movement in partnership with local N.C. Baptist churches in cities and towns from the mountains to the coast. While our day-to-day focus centers on the development of planters and the expansion of the inner workings of those churches, CPNC focuses on planting healthy, reproducing, life-giving churches that will impact their communities with the gospel of Jesus Christ.

**COLLEGIATE PARTNERSHIPS** The mission of the Collegiate Partnerships Team of the Baptist State Convention of North Carolina (BSCNC) is to partner with Baptist churches to launch a reproducing gospel presence on every collegiate campus in North Carolina. A reproducing gospel presence is a collegiate group that is under the authority of a doctrinally sound local church which is reproducing disciples

Statistically, the collegiate ministry of North Carolina Baptists celebrated much during the academic year. N.C. Baptist churches engaged 50 college campuses during the year, creating a reproducing gospel presence on each campus. These ministries ranked North Carolina Baptists second in the Southern Baptist Convention in numbers of campuses engaged and in the number of international students engaged through collegiate ministry.

**COOPERATIVE PROGRAM** The Cooperative Program is the most effective tool to fulfill the Great Commission. We challenge Baptists across North Carolina to join in the effort to fuel and advance missions and ministry in North Carolina and around the world. The promotion of the Cooperative Program is assigned to the Communications Team within the Administration and Convention Relations Group of the BSCNC. Will Taylor helps existing churches to join the convention. From July 2019 to July 2020, Taylor has been in consultation with more than a dozen churches that wish to join the Baptist state convention as member churches. We celebrate how many of these churches represent minority communities across North Carolina. N.C. Baptists continue to be top supporters of the Southern Baptist Convention through both the Lottie Moon and Annie Armstrong special offerings. In the years to come, we hope to encourage Baptists across North Carolina to give generously to missions through the Cooperative Program in a way that is consistent with our core Baptist convictions, that God's people are to obey God's Word in fulfilling the Great Commission.

**DISCIPLE-MAKING** The Disciple-Making Team has the responsibility to activate N.C. Baptist disciple-makers in all age groups and life stages. Ministries on the team include the areas of childhood, youth, family, adult, women, Sunday School and small groups

**DISCIPLE-MAKING CONFERENCE** In addition to work in the individual ministry areas noted below, the team hosts the annual Disciple-Making Conference.

**EMBRACE AND WOMEN'S EVANGELISM AND DISCIPLESHIP** Embrace and Women's Evangelism and Discipleship seeks to encourage women to walk humbly with Christ in their world and build strong families capable of creating a legacy of faithfulness. Embrace women's ministry helps churches and associations develop women's ministries that encourage and equip women to be growing disciple-makers who make disciples who make disciples.

**GREAT COMMISSION PARTNERSHIPS** Great Commission Partnerships exists to mobilize and empower churches to make disciples among unreached people groups and in least-reached places in North Carolina, throughout North America and around the world. We do this through a catalytic focus on multifamily housing, the Peoples Next Door initiative and by helping churches to form partnerships with church planters and missionaries in North America and around the world. Ministry highlights include: the multifamily housing initiative; the Peoples Next Door N.C. Initiative; and church missions partnerships in North America and around the world.

**OFFICE OF PRAYER** The Office of Prayer for Evangelization and Spiritual Awakening emphasizes making kingdom-focused prayer a priority in the lives of individuals, churches and ministries. We believe that God is calling His followers to glorify Him through a holy lifestyle of passionate, Spirit-led prayer that focuses on the Father and His kingdom purposes. The Office of Prayer exists to assist churches, associations, entities and ministries with the development of biblical prayer resources, strategies, events and networks that are focused on equipping and mobilizing believers toward kingdom-focused prayer for revival, spiritual awakening and God's mission. For a number of years, it seems as if God has been working in a heightened way throughout North Carolina calling pastors, ministry leaders and individual believers to seek Him for His mercy through revival and spiritual awakening

**STRATEGIC FOCUS TEAM** The Strategic Focus Team (SFT) helps churches take a missionary approach to North Carolina's pockets of lostness. In April of 2020, the Strategic Focus Team was reassigned from the BSCNC's Administration and Convention Relations Group to the Church Planting and Missions Partnership Group in an effort to bring better alignment to the team's ministry assignment. This past year has been a year of significant disciple-making progress in North Carolina's pockets of lostness, especially in the phases of engaging and impacting. In the engaging phase, churches are engaging a lost pocket with disciple-making intentionality. In the impacting phase, disciples in the lost pocket are making disciples.

**WORSHIP AND MUSIC** The Worship and Music Ministry partners with ministry leaders to equip churches in renewing their corporate worship so that people will encounter the transforming power of Jesus Christ. When COVID-19 restrictions hit in 2020, the way churches

did worship had to drastically change as shelter-at-home orders were issued. We created multiple resources (blog posts, tutorials, seminars, downloadable resources, etc.) each week to help train our churches and keep them ahead of the curve in planning and implementing worship experiences that moved online.

**YOUTH EVANGELISM AND DISCIPLESHIP** Our goal in Youth Evangelism and Discipleship, also known as BeDoTell, is to equip students and youth ministries across the state to be a Christian, do discipleship and tell others. Summer Youth Weeks 2019 consisted of eight weeks of camp at Fort Caswell. Attendance for the 2019 camps was 6,638, representing 273 churches. Total decisions reflected the greater things God was doing at camp, which included 432 first-time professions of faith, more than 1,300 recommitments and 123 called to full-time Christian ministry. We continued the mission effort for Haiti through the offering and meal packaging. It was another God-sized task requiring offerings to exceed \$62,500 for 250,000 meals to be packaged and shipped. A total of more than \$70,000 was received and 285,000 meals were packaged.

## What is the North Carolina Baptist Foundation?

The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina (BSCNC). It was created by the convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, managed by the convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the tasks of undergirding all of our Baptist work.

Since 1920, the North Carolina Baptist Foundation (NCBF) has had the privilege of creating many significant and meaningful chapters focused on partnering with the BSCNC in “fostering generosity and facilitating Kingdom growth,” with the goal of bringing North Carolina and the world to Jesus Christ. With a single gift of \$1000, the very first Baptist Foundation in this country was established in North Carolina. You may be thinking, “Estate planning is for rich folks, and I’m not rich.” Or, “I’m too young to think about that.” But, have you considered that resources such as the equity in your home, life insurance and retirement plans will need to be stewarded after you leave this earth-whenver that is?

The North Carolina Baptist Foundation can help you identify this unknown treasure and create a plan to ensure it is transferred to the best next steward of greater impact of your family and the Kingdom of God for generations to come. What a great blessing I have received serving as president of the North Carolina Baptist Foundation for the past 22 years. I have been blessed to see assets under management grow from \$70 million to more than \$165.6 million. I have had the privilege of seeing the Foundation go from one area manager in the west to adding managers in the east and central parts of the state. I have had the good fortune of helping add a new ministry in 2009 — North Carolina Baptist Financial Services — a church loan ministry that over the past 10 years has made 162 loans totaling \$89.6 million.

I have had the joy of helping to transition a student loan fund to a scholarship endowment in 2016 and joining forces with the BSCNC to award a total of 691 scholarships to N.C. Baptist students totaling \$1.268 million. As you can see, there is so much for us to celebrate! What started with a \$1,000 gift in 1920 has resulted in 2,247 accounts that benefit 575 ministries and charities all over the world. Looking back over 100 years of history, I’m reminded of the psalmist’s words in Psalm 105:43-44: “He brought out his people with rejoicing, His chosen ones with shouts of joy. He gave them the lands of the nations, and they fell heir to what others had toiled for...”

Yes, we stand on the shoulders of giants in the faith and enjoy blessings for which others have toiled. In a spirit of humility, standing on the mountain top of 100 years of sacrifice and service to God, I also cast my eyes forward in the faith that there are many people today who are ready to build on this legacy. My prayer is that 100 years from now, there will be others standing on an even higher mountain top because of our sacrifice and faithful stewardship. So I invite you not only to celebrate what God has accomplished through other dedicated saints, but to offer self and substance so that others, 100 years from now, can celebrate the great things that God has done through us.

Gifts made to the NCBF through charitable instruments including endowment funds, managed funds for N.C. Baptist entities, donor advised funds, charitable trusts and charitable gift annuities allow donors to leave a Christian legacy for years to come. Thank you for allowing us to partner with you as you make a Christ-inspired impact for fostering generosity and facilitating kingdom growth.
