Dr. Al Hood - Director Of Missions

Website: truettba.org

August September 2022

A WORD FROM THE DOM:

By the time you read this, Duronda and I, along with nine other people from Region 10 will have spent a week at Red Springs with the Disaster Relief Feeding Unit. If you were involved in the DR training this spring, be ready in case they call you to go. The blessings you receive will amaze you.

We are seeing great things in our Bible Schools this year. The number of VBS are up and the attendance have been good so far. We have also visited several with some still left to go. We did miss some because of vacation and DR deployment. Be sure to send us some photos of your school if we missed it. Don't forget your report. So far most have been good about getting theirs in to the office.

Our Saturate Effort will begin in September. We will have an information meeting on Monday, August 25 at 6:30 PM the association office. Information will also be sent to all pastors as well as chairmen of deacons. This event is for every church and will make a huge impact on our area. Don't miss out on this!

Pray for our association and its churches. Thank you for your support.

Thank you to all the churches who are so faithful to support the Association with monetary gifts. If your church is not listed, we do not have a record of their gift for this year. Please contact us if you have given a gift this year.

You are on the front lines of ministry as you lead, encourage, and disciple churches to mobilize their members, attenders, and friends to offer our world a snapshot of what Jesus looks like. Thank you!

Each year we promote the NC Missions Offering (NCMO) through a special emphasis in September. The link below gives a promo for the NC Missions Offering that we hope you will share with your churches. <https://vimeo.com/726856265>

Eric Cook is the voice of this video and at the 1:06 mark he underscores that 10% of the offering is returned to local associations to use for missions as God leads them. We are praying that God will lead our churches to double the NCMO in the next five years and therefore the amount we share with associations doubles

Many churches think that Baptists on Mission (BOM) is funded by the Cooperative Program, but 100% of BOM's regular budget comes from the NCMO. Disaster Relief is largely supported through designated gifts. While churches and individuals may contribute anytime, after the September emphasis we receive more than 75% of the funds donated to the NCMO.

It's world class. Who preaches the Gospel better than the Jesus film? In 1600 languages?

It's irresistible. Who refuses a free gift of real substance?

The focus is Jesus - pure and simple!

Everyone can participate. All ages can participate.

No special training. Everyone knows they should share their faith but they don't know how. Even with training people often feel ill-equipped.

People love it. Everyone, with very few exceptions, were very receptive. Moreover, many expressed their conviction that they are happy to see the church reaching out. Even unbelievers, skeptics and people of another faith welcomed the gift about Jesus.

It's anointed. The Gospel itself is anointed, yet God is anointing the church's obedience (Mt.28:18-20; Mk.16:15). And yet God chose this vision for this season. A triffecta!

Encouraging & Equipping Leaders to Serve

Do you feel called to lead and make a difference in the lives of those around you?

Have you been asked to lead in your church but you aren't quite sure where to start?

Do you want to meet other leaders and get fresh new ideas?

Do you want to learn how to start a missions group or how to get your church more involved in missions?

If you answered yes to any of these questions, we invite you to join us for **Abound.**

Abound is our annual leadership training, hosted each summer across the state. Leaders hear from trained speakers and a wide variety of workshop sessions are available, from WMU age-level mission groups to spiritual development sessions. It's a time for leaders to network and connect with one another, gain fresh ideas, and receive new resources.

The cost is \$30 and includes lunch, a copy of the 2022-2023 *Missions Leader Planning Guide*, and all your training materials

We encourage you to share this information with the in your church and association and join us for a day encouraging and equipping one another in our ministry and mission work.
